SPRINGFIELD URGENT CARE TO OPEN CLINTON TOWNSHIP CLINIC IN SEPTEMBER 2023 AT 43900 GARFIELD ROAD

White Lake, Michigan, June 9, 2023 -- Springfield Urgent Care – Clinton Township will begin serving patients at 43900 Garfield Road in September 2023. The seventh Springfield Urgent Care clinic--- the second one in Macomb County--- will be in the Northeast Pavilion building just south of Hall Road (M-59) assuming the suite formerly occupied by Northeast Macomb Urgent Care. The clinic will help patients address injury, illness and other medical concerns seven days a week.

“For patients seeking quality immediate care, Springfield Urgent Care is the answer,” remarked Springfield Urgent Care CEO James Harrill. “Our licensed medical providers and support team treat medical concerns with compassionate care and professionalism. We look forward to serving the people of Clinton Township, Macomb County and those who visit and need care.”

About Springfield Urgent Care - Springfield Urgent Care has been filling the gap between primary and emergency care since 2018. Our state-of-the-art walk-in clinics provide quality care for non-life-threatening illnesses and injuries. Led by a board-certified emergency physician, our medical team includes licensed physician assistants and nurse practitioners. With on-site X-ray and lab testing capabilities, Springfield Urgent Care provides affordable and personalized care quickly and efficiently. Headquartered in White Lake, Michigan, Springfield Urgent Care currently operates clinics in six Michigan communities: Clarkston, Hamburg, Saline, Saint Clair Shores and White Lake, with the seventh to open September 1, 2023 in Clinton Township.
